DESCRIBE THE PRESENT AND ORIGINAL (if known) PHYSICAL APPEARANCE	
<p>The house on the Radcliff Farm, Dark Road, is a two and one-half story, three bay long house with two small wings to the rear or north. The first wing is a three bay long one and one-half story wing and the second is a two bay long, one story wing, both of which have chimneys within their gables. There are large chimneys within the gables of the main portion of the house. It looks similar to the Stoney Ridge Farm house and probably dates from the 1840's, although the wings may pre-date the larger part. It originally stood on brick piers, but has had concrete block installed between the piers. The walls of the house have been covered with aluminum siding</p>
